# Welcome to the Restaurant Christophorus

It is always a good idea to keep looking around. You could discover a legend.

Style, character and sustainability are features
that characterise a Porsche today.

We also feel obliged to reflect this philosophy in Christophorus.
Our goal is to make your visit here an outstanding experience.

The speciality of our restaurant is US prime beef, which develops its full flavour in our own curing cellar.

Enjoy with all your senses: look over the shoulder of our young and innovative team of chefs at the front cooking stations and allow yourself to be fascinated by the dishes prepared freshly for you using regional and seasonal products.

Wine connoisseurs and gourmets can look forward to our wine cellar
with over 800 different national and international wines.

Porsche offers maximum driving pleasure on the road. We offer maximum culinary excellence in Christophorus. Thank you for being our guest today. Enjoy your meal.

Your Christophorus Team
