

**PORSCHE**

# The new 911

Price list  
(edition: 10/2015)

## Congratulations.

The dream of owning a Porsche goes back as far as the brand itself. Perhaps that's because there is one thing in the development of our sports cars that will never be entertained: compromise. It's the only way in which cars beyond compare can be created. A bold claim maybe, but our Porsche developers in Weissach wouldn't settle for anything less.

And the best thing about dreams? They can come true. Today, you are one step closer to one of your goals – your dream car.

You've been to your Porsche Centre and we're certain that the car of your dreams has made its first yet lasting impressions. Now all that remains for you to do is to decide on the colour, equipment and any additional personalisation packages that you would like to order. This price list will help you to do just that and show you exactly what's possible. Turn a 911 into what it was intended to be: your 911.

Would you like to make your 911 model even more individual? Porsche Exclusive offers a wide range of styling options. For your convenience, these products are identified with 'Exclusive' in the 'Order no.' columns within this price list. Of course, we are always happy to answer your questions and would be delighted to give you any further information that you might need.

By the way, did you know that the Porsche Car Configurator lets you see a virtual 3D model of the car that you've personally configured even before you place your order? Please visit [www.porsche.com](http://www.porsche.com) for more information.

# Porsche Car Configurator.

The dream of the 911 comes in many shapes and colours. With the new Porsche Car Configurator, you will discover quickly and intuitively which dream perfectly suits you.

On the way to realising your dream car, you can now create your own personalised configuration not only on your desktop and tablet, but also on your smartphone. Your car can be displayed in the perspectives of your choice and, on desktops, with 3D animations. Smart recommendations along the way help you to make those all-important decisions.

Visit [www.porsche.com](http://www.porsche.com) to find the Porsche Car Configurator and discover much more about the fascination of Porsche.

## Standard specification: the new 911 models.

### Transmission

7-speed manual transmission with two-plate clutch and dual-mass flywheel

Rear-wheel drive

All-wheel drive with map-controlled multi-plate clutch and Porsche Traction Management (PTM)

Auto start/stop function and coasting (in conjunction with PDK)

Porsche Torque Vectoring (PTV) including mechanically locking rear differential.

In conjunction with PDK: Porsche Torque Vectoring Plus (PTV Plus) including electronically regulated rear differential lock with fully variable torque distribution

### Chassis

McPherson front axle

Multi-link rear axle

Multi-link rear axle with track widened by 40 mm

Electromechanical power-assisted steering with variable steering ratio and steering pulse generator

Porsche Active Suspension Management (PASM) with ride height lowered by 10 mm

Porsche Stability Management (PSM) including ABS with extended brake functions

## Standard specification: the new 911 models.

### Lights and vision

Bi-Xenon main headlights with integrated four-spot LED daytime running lights, dynamic range adjustment and headlight cleaning system

LED auxiliary light units in front apron with position lights, direction indicators and side indicators

Three-dimensional LED taillights with integrated four-spot brake lights

Light strip on rear including integral parking and driving lights

Automatic headlight activation including 'Welcome Home' lighting

LED reading lights, orientation, ignition lock and vanity mirror lighting. Also includes luggage compartment, footwell, glove compartment and exit courtesy lighting

Exterior mirrors on door waist rails, electrically adjustable and heatable, aspherical on driver's side

Windscreen wiper system with aero wiper blades and washer jets

### Air conditioning and glazing

Two-zone automatic climate control with separate temperature settings for driver and front passenger, automatic air-recirculation mode including air quality sensor

Particle/pollen filter with active carbon filter

Green-tinted thermally insulated glass

Power windows with one-touch operation and door-seal protection

Heated rear screen

Windscreen with grey top-tint

## Options.

**There's nothing more to add.  
Except some ideas of your own.**

No two people are identical. Why should it be any different for a Porsche? So style your Porsche the way you envisaged. With our range of options, you can go

beyond the standard specification and personalise your Porsche to your own preference.

After all, a Porsche is a symbol of freedom – and that includes creative freedom.

## Exclusive.

**Porsche Exclusive.**  
**100% Porsche. 100% you.**

You can have your Porsche 'tailor-made' even before it leaves the factory. Porsche Exclusive is the ultimate in personalisation. Tell us your own ideas and we will do everything we can to make them a

reality – provided they are technically feasible and don't compromise quality. As always, our overriding principle is that your Porsche should be uniquely handcrafted to your taste. With composure and meticulous care, inspiration and a passion for detail that sees the use of exquisite materials, we

create a product through dedication and finesse. A Porsche like no other: yours.

Either your Porsche Centre or the Customer Centre in Zuffenhausen (tel. +49 711 911-25977, e-mail [customercenter-exclusive@porsche.de](mailto:customercenter-exclusive@porsche.de)) will be happy to answer any questions

about Porsche Exclusive that you may have – at [www.porsche.com/exclusive](http://www.porsche.com/exclusive), you will also find further information.

Please note that delivery times may be extended for certain Porsche Exclusive equipment.

<b>Adaptive cruise control including Porsche Active Safe (PAS)</b>	<b>456</b>	<b>£1,497.00</b>	○	○	○	○	○	○	○	○	○	○
Radar-based technology that automatically maintains a specified distance from the vehicle in front by gently braking the vehicle as required, even down to a halt. Selectable cruising speed range: 18 – 130 mph. Includes Porsche Active Safe (PAS) which emits an audible warning, initiates a warning jolt of the brakes and, if necessary, strategically applies the brakes if the system detects that your vehicle is approaching the vehicle in front too quickly. During this process, any braking by the driver is boosted to achieve the maximum braking force that the system is able to provide. Only in conjunction with PDK		£1,247.50										

<sup>1)</sup> May be factored into vehicle insurance premium calculation in some countries. Please consult your insurance provider or Porsche Centre before you place your order.

## Options: interior.

### **Leather**

Leather is a traditional natural material – a true classic. Items made of leather are both timeless and hard-wearing.

### **Alcantara**

This high-quality material is particularly easy to care for and appeals with its customary tactile feel.

### **Aluminium**

Brushed aluminium sets clear accents and gives the interior a sporty minimalist look.

### **Carbon**

Carbon fibre is a light yet highly durable material used extensively in motorsport. Its sporty look is the ideal complement to the car's race-bred engineering.

## Factory collection: the new 911 models.

Come and collect your Porsche in Stuttgart-Zuffenhausen or Leipzig and be the one to take it to its rightful place: on the road.

Before this, we invite you behind the scenes of the Porsche production process. As part of a guided factory tour, you will see how much passion and precision goes into everything we do. You can then take time to reflect on your experience over a leisurely lunch and look forward to the high point of the day: taking delivery of your Porsche. Our

specialists will take their time to explain everything about your new car in as much detail as you wish.

Stuttgart-Zuffenhausen is steeped in tradition and history. Here, you can visit the Porsche Museum to experience and learn about every aspect of the Porsche brand, with legendary models from a sports car history spanning over 60 years.

Or, if you would prefer your factory collection to be rather more intensive, visit our production location in Leipzig.

Your first driving experience will be a test drive in a Porsche model comparable to the one you purchased and under the expert supervision of one of our

instructors. Hone your skills on-road on the FIA-certified racetrack or on our very own off-road track in a Porsche off-road vehicle.

	<b>Order no.</b>	<b>Rec. Retail Price</b> Incl. 20% VAT Excl. 20% VAT
<b>Factory collection in Zuffenhausen</b>	<b>900</b>	<b>£632.00</b> £523.67
<b>Factory collection in Leipzig including intensive driving induction<sup>1)</sup></b>	<b>S9Y</b>	<b>£797.00</b> £664.17

<sup>1)</sup> The factory collection in Leipzig option is a non-binding limited offer. For the latest information on availability, please consult your Porsche Centre.

## Equipment accessories (only available from Porsche Centres).

Below you will find a small selection of Porsche accessories from the Equipment catalogue for the new

911 model range. Please see the catalogue for a wider selection of original Porsche accessories for your 911 model.

The prices specified are exclusive of fitting (if applicable). Additional costs may apply for painting and installation carried out by your Porsche Centre.

Please note that Equipment products are only available from your Porsche Centre and cannot be ordered as factory-fitted options. This also applies if you

### **Why should your dreams have limits? Porsche Financial Services**

Every dream of the sports car is different. For this reason, our financial services are not run-of-the-mill – they are tailored to the individual dream of each of our customers.

That is the simple but clear premise on which Porsche Financial Services was founded over 25 years ago, as an integrated premium financial services provider – and as a 100% subsidiary of Porsche AG. It's why every new product, every leasing offer and every service carries the DNA of the most successful sports car manufacturer in the world.

### **Financial services: hassle-free, individual, tailored**

With our attractive financial services, we can help you to find the fastest way to your Porsche. Leasing or finance, one thing is certain: the comprehensive and personal advice of Porsche Financial Services.

### **Porsche insurance service: a frequent traveller needs a safe haven**

Porsche CarPolicy and Porsche CarPolicy S are two specially developed insurance cover packages designed to make your Porsche experience even more relaxed and carefree. Whichever offering you choose, you can enjoy peace of mind that your risk cover has been individually tailored to the value of your Porsche, whether you take third-party cover or a fully or semi-comprehensive policy<sup>1)</sup>.

### **Porsche Card S: entry card, parking**

### **card, reward card, credit card**

The Porsche Card S has been specifically designed to meet your requirements for mobility and convenience. Promising extraordinary benefits and privileges, it offers everything you would expect as the holder of a truly prestigious credit card.

For further information or to arrange a detailed consultation, please contact your Porsche Centre directly.

## Porsche recycling and further information.

At Porsche, we have high standards, not least when it comes to quality assurance and the environment. This is clearly demonstrated by our comprehensive recycling concept. Even in the vehicle development phase, we make every effort to comply with worldwide accepted recycling regulations. The result is that our vehicles and their components are designed with recycling and reuse in mind. We are striving constantly to make our vehicles as environmentally friendly as possible.

We aim to explore feasible opportunities to conserve resources and minimise our impact on the environment. We use modular components to make the dismantling of vehicles as uncomplicated as possible in case of reuse, and solutions for separating out materials and then collecting materials of the same type. All the materials in our vehicles are labelled to facilitate future separation and collection with a view to their recycling. The reduction in the wide variety of plastics used makes it easier

to exploit these opportunities. Recycled plastics and renewable raw materials are used where they meet our exacting technical requirements.

Porsche has established a network of take-back and recycling facilities. Only certified dismantling centres are permitted to dismantle our vehicles, thereby ensuring the safe disposal of fluids and pollutants. Of course, this is always carried out in accordance with our detailed dismantling and draining instructions and in conformity with regulations governing end-of-life vehicles. For a long time now, our recycling efforts have concentrated on more than metal materials alone. An increasing proportion of plastics and operating fluids is also being submitted for recycling.

This reduction in waste has benefits not only for the environment but for you, too. These benefits are achieved through the use of selected, long-lasting operating fluids, which are key to reducing the scope of routine maintenance work and

the frequency of specified maintenance intervals.

**For more information on optional equipment and the Tequipment range of genuine Porsche accessories, please contact your Porsche Centre. Alternatively, you can visit [www.porsche.com](http://www.porsche.com) or call 00 49 1805 356 911 or contact us by fax on 00 49 1805 356 912 (landlines 14 ct/min; mobiles max. 42 ct/min).**

Prices are valid only for orders for new vehicles. The prices stated do not apply to options ordered after your car has entered production. All prices are effective for vehicles produced from 7 October 2015 onwards and are recommended retail prices including VAT and cost of installation but excluding delivery.

Porsche reserves the right to alter specifications, equipment and delivery scopes and times without prior notice. Colours and materials may differ from

those illustrated. Errors and omissions excepted.

For information on standard and optional equipment, please consult your Porsche Centre. A fee is usually charged for delivery of the vehicle to the Porsche Centre. This fee is determined by the Porsche Centre from which the vehicle is purchased. For further information, please consult your Porsche Centre.
