Porsche Approved Warranty.

We cannot foresee the future.
But we can guarantee its quality.

Porsche Approved Warranty.

We are committed to the quality of our sports cars and every Porsche is a sports car. This is why the Porsche Approved Warranty insurance policy is available for Porsche vehicles up to 15 years old.

The Porsche Approved Warranty policy is an insurance product underwritten by Acasta European Insurance Company Limited, which provides cover comparable to the Porsche New Car Guarantee.

The Porsche Approved Warranty covers the cost of repair or replacement of your vehicle's systems and components at an official Porsche Centre if they are found to have a manufacturing defect.

For full policy details, see terms and conditions.

A Porsche Approved Warranty offers:

- Worldwide cover
- All repair or replacement costs are covered, including parts and labour
- No excess to pay
- No mileage limit during the warranty period
- Porsche Genuine Parts used in repairs
- Optional duration of 12, 24 or 36 months
- Coverage for Porsche vehicles up to 15 years old.

A Porsche Approved Warranty can be purchased from Porsche Centres for any Porsche that meets the eligibility criteria; either to extend an existing Porsche Approved Warranty or the Porsche New Car Guarantee, or where a car does not have any existing cover.

The 12, 24 or 36 month Porsche Approved Warranty is available for all Porsche cars (excluding the Carrera GT and 918. For full exclusions, please refer to the terms and conditions) less than 14, 13 or 12 years old respectively.

Only one warranty policy of any period of cover may be purchased during an unexpired policy term, and the mileage must be less than 125,000 miles at the point of warranty activation.

Stand-alone Warranty.

The purchase of a Porsche Approved Warranty following the expiry of the New Car Guarantee or existing Porsche Approved Warranty, is referred to as a Porsche Approved Stand-alone warranty.

To be eligible, you must have owned your car for at least 90 days and a 111-point inspection must be carried out on your car by a Porsche Centre.

The 111-point inspection may be charged for in addition to the cost of the Approved Warranty and any car faults identified during the inspection will need to be repaired prior to a Porsche Approved Warranty being issued.
