Equipment and owner's manual

Porsche reserves the right to update the illustrations and descriptions in this manual to keep current with any developments of the Porsche Classic Communication Management Plus. The equipment variants do not always reflect the standard scope of delivery and may depend on country-specific options. For information on how to install the Porsche Classic Communication Management Plus, please contact a Porsche Classic Partner or an Authorized Porsche Dealership. The equipment of your Porsche Classic Communication Management Plus may differ from the description due to the differing statutory provisions from country to country. If your Porsche Classic Communication Management Plus features equipment items not described here, your Porsche Classic Partner or an Authorized Porsche Dealership will tell you how to operate and maintain them properly.

Please direct any questions, suggestions or ideas concerning your Porsche Classic Communication Management Plus to:

SiriusXM® Satellite Radio

Only SiriusXM® brings you more of what you love to listen to, all in one place. Get over 140 channels, including commercial-free music plus the best sports, news, talk, comedy and entertainment. Welcome to the world of satellite radio. A SiriusXM® Vehicle Tuner and Subscription are required. For more information, visit www.siriusxm.com. For information about installing the required SiriusXM® Connect Vehicle Tuner, consult the installation guide included with the tuner. SiriusXM® and all related marks and logos are trademarks of SiriusXM® Radio Inc. All rights reserved.

Information

- ▷ This product is prepared for the reception of SiriusXM® satellite radio. An additional SiriusXM® Vehicle Tuner and a subscription is required to use the function. Both items are not included in the scope of supply of the Porsche Classic Communication Management Plus. SiriusXM® products are available at your local car audio retailer or online at www.shop.siriusxm.com.
- ▷ Dr. Ing. h.c. F. Porsche AG is not responsible for the content offered by the broadcasters.

Activating SiriusXM® subscription

After installing your SiriusXM® Connect Vehicle Tuner and antenna, power on your Porsche Classic Communication Management (PCCM/PCCM Plus). and select SiriusXM® mode.

1. Press **TUNER** button.
2. Select menu option **SiriusXM®**.
3. Press **TUNE** button.
4. Enter channel number **1** and press **OK**.

Information

If you cannot hear Channel 1, please check whether the SiriusXM® Connect Vehicle Tuner was installed correctly and that the instructions were followed.

To activate your SiriusXM® subscription, you will need the Radio ID of your tuner.

1. Press **TUNER** button.
2. Select menu option **SiriusXM®**.
3. Press **TUNE** button.
4. Enter channel number **0** and press **OK**.

Information

- ▷ The Radio ID can also be found on the bottom of the SiriusXM® Connect Vehicle Tuner and on the packaging of the tuner.
- ▷ The SiriusXM® Radio ID does not include the letters I, O, S and F.

In the USA, you can activate online or by calling SiriusXM Listener care:
- Visit www.siriusxm.com/activatenow
- Call SiriusXM Listener Care at 1-866-635-2349
For Canadian Subscriptions, please contact:
- Visit www.siriusxm.ca/activate
- Call SiriusXM Customer Care at 1-888-539-7474

The SiriusXM® Satellite will send an activation code to your tuner. When this code is received, the Porsche Classic Communication Management Plus will display "Subscription updated press OK to continue".

Information

Note, the activation process usually takes 10 to 15 minutes but in special cases it may take up to an hour. Do not turn off your Porsche Classic Communication Management Plus until you have seen the activation message.

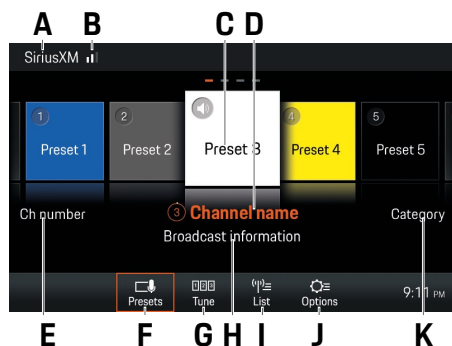

Fig.: Controls

Controls on SiriusXM®

A SiriusXM® Source indication

B Signal strength This icon gives you the current strength of the satellite signal.

- ▷ With the menu item **Lock all mature channels**, all SiriusXM® channels that have mature content will be locked automatically.

Change code

To set the lock code for the **Parental control** function please proceed as follows:

1. Press **TUNER** button.
2. Select menu option **SiriusXM®**.
3. Select **Options**  button.

4. Select menu option **Change code**.

5. Type in current code and press **OK**.

6. Type in a new four digit code and press **OK**.
The code is changed.

Information

The default code is set to "0000".

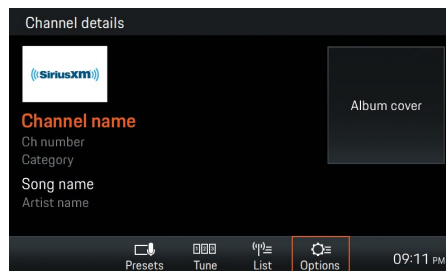

Fig.: Channel details

Channel details

1. Press **TUNER** button.
2. Select menu option **SiriusXM®**.
3. Select **Options**  button.
4. Select menu option **Channel details** to show the detailed Broadcast information.

Information

By turning the right knob (●) you jump to the channel details of the next channel. If you stop turning, the current channel is selected.

Troubleshooting advisories

If a function of the SiriusXM® Satellite Radio fails, or is not currently available, various notifications are displayed instead of the channel name or on the left side in the top bar.

Check antenna

The Porsche Classic Communication Management Plus detected a fault with the SiriusXM® antenna. The antenna cable may be either disconnected or damaged.

- ▷ Verify that the antenna cable is connected to the SiriusXM® Connect Vehicle Tuner.
- ▷ Inspect the antenna cable for kinks and other damage. Replace the antenna if the cable is damaged.

Information

SiriusXM® products are available at your local car audio retailer or online at www.shop.siriusxm.com.

Check tuner

The Porsche Classic Communication Management Plus is having difficulty communicating with the SiriusXM® Connect Vehicle Tuner.

- ▷ The tuner may be disconnected or damaged.
- ▷ Verify that the SiriusXM® Connect Vehicle Tuner cable is securely connected to the radio.

No signal

The SiriusXM® Connect Vehicle Tuner is having difficulty receiving the signal.

- ▷ Verify that your vehicle is outdoors with a clear view of the sky.
- ▷ Move the antenna away from any obstructions.
- ▷ Inspect the antenna cable for damage and kinks. Replace the antenna if the cable is damaged.

Information

Consult the SiriusXM® Connect Vehicle tuner installation manual for more information.

Subscription updated

The Porsche Classic Communication Management Plus has detected a change in your SiriusXM® subscription status. Press **OK** to clear the message.

Information

Visit www.siriusxm.com if you have questions about your subscription.

Channel unavailable

The channel that you have requested is not a valid SiriusXM® channel or the channel that you were listening to is no longer available. You may also see it when first connecting a new SiriusXM® Connect Vehicle tuner.

Channel unsubscribed

The channel that you have requested is not included in your SiriusXM® subscription package or the channel that you were listening to is no longer included in your SiriusXM® package.

Information

In the U.S.A., visit www.siriusxm.com or call 1-866-635-2349 if you have questions about your subscription.

Ch XXX locked

The channel that you have requested is locked by the **Parental control** (see Parental control) function. Type in the four digit code (see Change code) to have access to this locked channel.
