## Porsche Approved Certified Pre-Owned.

Over time, we develop and collect memories. We cherish the things that have inspired us and proved their worth to us. A Porsche is no different. An Approved Certified Pre-Owned Porsche delivers this dream precisely as it was intended.

The Porsche Approved commitment means that the Certified Pre-Owned Porsche you are buying has been

returned as close to its original condition as possible. We only fit Genuine Porsche parts and each vehicle is meticulously prepared by our expert Certified Porsche trained technicians. You are buying a 100% Porsche. Our provenance checks verify every car's history, while the standard Porsche Approved Limited Warranty with unlimited mileage and Porsche Roadside Assistance provide complete peace of mind and absolute proof of quality.

## We guarantee:

- The best coverage in the industry—with 2 years, unlimited mileage.\*
- The vehicle has been inspected in compliance with our 111-point checklist
- The vehicle meets the Porsche preparation standards
- Only Genuine Porsche parts have been used

\* Maximum possible coverage is 6-years. Porsche Approved Limited Warranty coverage commences upon New Vehicle Warranty (NVW) expiry. If NVW expires because maximum kilometer limit (80,000 kilometers) under NVW is reached before NVW 4-year time limit, the Porsche Approved Limited Warranty period will commence at time NVW kilometer limit is reached and Porsche Approved Limited Warranty expiry date will be 2 years from such date.

**Meticulous, conscientious,  
perfectionists.**

## Vehicle preparation.

We're proud of our technicians, and no one knows a Porsche better than them. Rigorous mechanical and bodywork standards must be met by every Porsche Approved Certified Pre-Owned vehicle. This is part of the meticulous preparation process undertaken prior to sale. You can be assured that your Approved Certified Pre-Owned Porsche has undergone service and

preparation worthy of the Porsche name and meets the standards you would expect of us.

We subject each and every Approved Certified Pre-Owned Porsche to a thorough mechanical inspection, ensuring absolute mechanical integrity. From the brakes to the tires, the windshield wipers to the seatbelts, our

technicians' attention to detail leaves no stone unturned. And of course, we only use 100 % Genuine Porsche parts.

If required, we'll carry out a full service and even check the electrical functionality right down to the last detail. As you would expect from Porsche, we

don't stop there; your vehicle will also be fully detailed and undergo a final inspection.

These are the minimum standards for every Porsche to become Porsche Approved Certified Pre-Owned. Every car is treated as an individual when being restored to its original form.

**There are some investments you grow.  
Other investments you maintain.**
