

PORSCHE

Porsche Company Cars
www.porsche.de/werkswagen

**What can you expect from a Porsche company car?
Driving pleasure, quality, safety and value retention.
You certainly won't feel like you're sitting in a used car.**

More than two thirds of all Porsche vehicles ever built are still on the road. As well as performance and driving pleasure, the Porsche name is therefore synonymous with durability.

The Porsche sales centre for company cars at the long-established site in Stuttgart-Zuffenhausen offers a wide choice of all current Porsche models in a range of colour combinations and equipment

variants. All feature the Porsche Approved seal. Let us help you find your dream vehicle by applying our many years of Europe-wide sales experience.

You can also use the Porsche company car search facility online at any time. Simply visit www.porsche.de/werkswagen.

Benefits at a glance:

- Recent Porsche models which have been used as company cars or official cars or by employees through our leasing programme.
- Attractive leasing and financing terms through Porsche Financial Services GmbH – includes former company cars.
- All vehicles have received the Porsche Approved warranty seal, affirming their excellent condition and quality and including a one-year warranty for Porsche used cars (from date of purchase, no restriction on mileage).
- Exclusively company cars with sales tax stated separately and first registered by Porsche AG (works and subsidiaries).
- All vehicles are supplied ex works or through any authorised Porsche dealer across Europe.
- All vehicles undergo a comprehensive visual and technical inspection to the highest standards at the engineering customer centre at Porsche Werk 1.

911 Carrera

911 Carrera fuel consumption (in l/100 km) combined 9.0;
CO₂ emissions 212 g/km

Feel free to visit or give us a call.

How to find us:

From the A81 heading from Stuttgart to Heilbronn (and vice versa), take exit no. 17 marked Stuttgart-Zuffenhausen and merge onto the B10 towards Stuttgart-Zuffenhausen. At the Korntal exit take a right (2nd exit) and turn right at the T-junction. After about 200 metres, turn left over the bridge. The Porsche sales centre for company cars is on the left (Adestraße 54).
