**Porsche Classic**  
The Car Care Set for your classic Porsche

**PORSCHE**

**The new Car Care Set from Porsche Classic:  
the mobile spa for your classic Porsche.**

Your relationship with your Porsche is something quite special. Characterised by a passion for back-to-the-roots driving and a love of classic cars. But a long-term relationship also needs a little care.

The new Car Care Set from Porsche Classic is the best way of ensuring this. A combination of different products for the whole of the exterior, specially developed

for your classic Porsche. And all generations of Porsche paintwork. A particularly authentic touch is the classic, luxury, Pepita-design storage bag.

All of the care products contained in the set have been tested under the harshest conditions. And have been designed to exactly meet the requirements of your car. So that you can shine on the road together for even longer.

The 17-piece Porsche Classic Car Care Set is available from your Porsche Classic Partner and your Porsche Centre under product no. PCG90101040.

Should you run out of any one of the care products, you can of course order them individually so you always have a complete set.

**Cleaning clay.**

A clean start. The finest dirt can be removed from the paint surface by using cleaning clay. As can tangible deposits. For a deep clean and optimum pretreatment. Product no. PCG90101340

**Paintwork polish.**

A shining base. The paintwork polish is suitable for all types and generations of paintwork. The high quality is due to the composition of the polishing particles which have a standardised, regular structure. So micro-scratches are prevented and a uniform result achieved. And the polishing particles are made without the use of synthetic materials. Product no. PCG90101440

**Hard wax.**

The best result. Long-term preservation and the best possible protection. The hard wax gives your classic Porsche paintwork both. Because it contains more than 40% wax from the Carnauba plant, the hardest natural wax in the world – and therefore easy to use. Product no. PCG90101540
