

PORSCHE

Tequipment 911

Accessories for the new 911 model range

**Accessories – made for possibilities.
Not for limitations.**

Inspiration. Thrill ride. Companion. Your Porsche is much more than a sports car. It is the direct connection between you and the next great experience. That's one reason why it is as unique as you, and it's true no matter what your plans are, no matter what you'd like to take with you, or how much room for individual creativity you might ever need.

Your Porsche: made for your life, the way you envisaged – thanks to the model-specific products of Porsche Tequipment, which have been designed with the complete vehicle in mind and by the same Porsche engineers and designers who made your car.

The same applies to one of the highlights in our range: the AeroKit Turbo. This styling option comprises a distinctive front spoiler with side fins, painted sideskirts, a distinguishing fixed rear spoiler with auto-deploying rear wing, and a rear apron with a painted finish. What makes this package even more special? The AeroKit Turbo reduces lift at

the front and rear axles, which means that it does far more than enhance the appearance of your Porsche – it also improves driving stability.

Are you looking to make your Porsche even more individual? Whether you wish to enhance its performance, refine its style or add comfort features, it is never

too late to give your Porsche an extra personal touch. Whichever Tequipment products you ask your Porsche Centre to fit, your Porsche will always be the masterpiece that the developers in Weissach envisaged it to be.

For peace of mind, your original car warranty will remain completely intact.

To discover more about Porsche Tequipment, please contact your Porsche Centre.

Alternatively, you can find all our products at www.porsche.com/tequipment using our online 'Tequipment accessories finder'.

Exterior and performance 6

Express your sporty inner attitude and accentuate the sculpted physique of your 911 with the Aerokit Turbo, wheels and much more from Porsche Tequipment.

Interior 34

Your personal freedom is also reflected on the inside. Forever keeping pace with the times. And always 100% Porsche.

Transport and car care 52

Your Porsche can carry much more than the motorsport enthusiast inside it. We offer a range of transport accessories and cater for your car care needs.

Panorama 68

A brief insight into the world of Porsche.

Contents

For fuel consumption and CO₂ emissions, please refer to page 71.

**Too individual for the standard form.
Exactly like your life.**

You have your own goals. You have your own path to follow. And, above all, you have your own ideas. Not least when it comes to how your 911 should look. With the Porsche Tequipment range of accessories, it's so easy to make more out of your Porsche. Turn your Porsche into the only Porsche that suits your particular lifestyle.

Whether you opt for the Aerokit Turbo, LED main headlights in black, specially designed sports tailpipes or new wheels, the decision is entirely yours. The following pages will show you everything that's possible. All accessories available from Porsche Tequipment were developed in parallel with the 911 itself. How else could we have achieved such a harmonious combination?

Exterior and performance

**You could happily step up a gear.
Even when it's a question of design.**

[1] Aerokit Turbo¹

The Aerokit Turbo adds sporty appeal and a sporty driving feel. All components have been tested and aerodynamically optimised in the Porsche wind tunnel. These include the distinctive front spoiler with side fins,

the sideskirts available in the exterior colour of your car, the distinguishing fixed rear spoiler with auto-deploying rear wing, and the rear apron also available in the exterior colour.

The Aerokit Turbo reduces lift at the front and rear axles, improves driving stability and accentuates the powerful appearance of your Porsche.

All features of Porsche Active Aerodynamics (PAA) integrated as standard are retained.

Only for 911 Turbo models.
For 911 Turbo Cabriolet only in conjunction with Porsche Ceramic Composite Brake (PCCB).

¹ Note: reduces ground clearance and the approach/departure angle. To preserve aerodynamic stability, front and rear spoilers may not be fitted separately.

[1] Sideskirts painted

Developed for the 911 and completed by you. With this set of paintable sideskirts, you can make your Porsche even more individual than it was before.

1

[2] Rear apron painted¹

Sporty through and through. With a rear apron painted in the colour of your choice, you can coordinate your Porsche to look exactly as you imagined. Truly individual.

2

[3] Rear side air intake grilles painted¹

A genuine athlete cuts a fine figure, not least from the side. Especially when the rear side air intake grilles are perfectly in

keeping with your styling requirements and the sporty charisma of your Porsche.

3

[4] SportDesign exterior mirrors

The intricate styling of these exterior mirrors with v-shaped mirror base proves that sportiness is not simply a question of power, but also one of creating the right profile.

¹ Only for 911 Turbo models.

4

[1] LED main headlights in black including Porsche Dynamic Light System Plus (PDLS+)

See well and look good. Sometimes they're one and the same thing. Thanks to their painted borders and selected internal

components refined with a Dark Chrome Metallic finish, these striking LED main headlights in black including Porsche Dynamic Light System Plus (PDLS+) draw attention to the individual appearance of your 911.

Same function and geometry as LED main headlights including Porsche Dynamic Light System Plus (PDLS+).

[2] Model designation on doors

Available in black and silver colour with the following logos: '911 Carrera', '911 Carrera S', '911 Carrera 4', '911 Carrera 4S', '911 turbo', '911 turbo S', '911 targa 4' and '911 targa 4S'.

1

1

2

2

[1] Sports tailpipes in silver colour

Sporty at the last glance, too. These twin dual-tube tailpipes in stainless steel with a silver-coloured chrome-plated finish will make the rear of your 911 look even more imposing.

1

[2] Sports tailpipes in black

Dynamic down to the finest detail – not least at the rear. These specially designed twin dual-tube tailpipes with a black chrome-plated finish are the perfect way to round off the appearance of your 911.

2

[3] Fuel filler cap in aluminium look

This elegant accessory is a stylish addition inspired by our racing heritage. Modelled on filler caps from historic race

vehicles, it has an engraved 'PORSCHE' logo and securing tether.

[4] Pedals and footrest in aluminium

Pedals and footrest in solid aluminium – just like in motorsport. Sandblasted, anodised and nanocoated to enhance the extraordinary appearance of your 911 – and provide particularly good levels of grip.

3

[5] Power steering Plus (not shown)

Whether you are driving fast or slowly, Power steering Plus always adapts to the speed of your 911. It reduces steering effort during manoeuvring and at low speeds.

4

**Inch for inch,
there's no better way to leave your own tracks.**

Be a trailblazer. That, quite simply, is the most thrilling way to leave tracks of your own. And so that you can forever be looking forward to your next destination, you should always be well prepared: with purposefully matched wheels from Porsche Tequipment. Each one of these

wheels knows how to make an impression, because they combine aesthetics, dynamic performance and safety. And because they have been styled and tested without compromise – for uncompromising driving pleasure, 365 days a year.

**[1] 20-inch Carrera S wheels
with summer tyres**

Set of alloy wheels with an elegant dual 10-spoke design. Dynamic and powerful – just like your Porsche.

**[2] 20-inch Carrera S wheels painted
in black (high-gloss) with summer tyres**

A high-gloss black painted finish on the centre spokes creates an imposing look and makes the overall appearance of the 20-inch Carrera S wheels with summer tyres even more powerful. Includes wheel centres with full-colour Porsche Crest.

[1] 20-inch Carrera S wheels painted in satin platinum with summer tyres

Your Porsche delivers excellent dynamic performance, and so do these wheels. The 20-inch Carrera S wheels with summer tyres and a satin platinum paint finish

emphasise the sporty character of your car and give it even more individuality. Includes wheel centres with full-colour Porsche Crest.

[2] 20-inch Carrera Classic wheels with summer tyres

Sporty alloy wheels with 10-spoke two-tone finish. Titanium-coloured paint finish with highly polished front surfaces. The intricate spokes provide a clear view of the Porsche brake system.

[1] 20-inch RS Spyder Design wheels with summer tyres

This design takes its cues from the wheels that adorned the successful Porsche RS Spyder race car. The

prominent features of these sporty, lightweight forged aluminium wheels are the seven y-shaped dual-arm spokes and the highly polished wheel edge.

[2] 20-inch Carrera Sport wheels with summer tyres

Set of one-piece alloy wheels with a sporty five-spoke design. Optimised for

low weight thanks to flow-forming technology. Platinum Silver paint finish and with highly polished leading edges.

[3] 20-inch 911 Turbo wheels with summer tyres

As unmistakable as a 911 Turbo itself. Special features: light alloy – forged, of course, for less weight and a reduction in

unsprung masses. Purposeful 10 dual-arm spokes and a two-tone finish (titanium-coloured/highly polished). Masterful design included.

[1] 20-inch Sport Classic wheels with summer tyres

Named after the 911 Sport Classic, of which only 250 were made in a limited-edition run in 2009 and 2010. The Fuchs-style Sport Classic wheel with five spokes

has a GT Silver Metallic paint finish, whilst the outer edge of this forged one-piece alloy wheel features a highly polished surface. Includes wheel centres with full-colour Porsche Crest.

[2] 20-inch Sport Classic wheels painted in black (high-gloss) with summer tyres

This set of forged one-piece alloy wheels with five-spoke Sport Classic design create an imposing look. Painted in black

(high-gloss) and with a highly polished outer edge, they lend the 911 an even more powerful appearance. Includes wheel centres with full-colour Porsche Crest.

[3] 20-inch Carrera S wheels with winter tyres

The 10-spoke design of these wheels will accentuate the sporty appearance of your 911, while the winter tyres offer improved traction at low temperatures.

[4] 20-inch Carrera S wheels painted in satin platinum with winter tyres

Your Porsche delivers excellent dynamic performance, and so do these wheels. The 20-inch Carrera S wheels with winter tyres and a satin platinum paint finish

emphasise the sporty character of your car and give it even more individuality. Includes wheel centres with full-colour Porsche Crest.

1

2

3

4

[1] 20-inch 911 Turbo S wheels with winter tyres

These forged alloy wheels with two-tone finish (black/highly polished) and

motorsport-derived spoke design plus racing style central locking device are all about performance – even in winter.

[2] 20-inch 911 Turbo wheels with winter tyres

These forged alloy wheels with 10 dual-arm spokes and a two-tone finish

(titanium-coloured/highly polished) are both elegant and imposing.

[3] 19-inch Carrera wheels with winter tyres

This wheel and tyre set featuring five-spoke 19-inch Carrera wheels and winter tyres is as instantly appealing as your

Porsche. The wheels impress with their functional design and sporting elegance, while the winter tyres offer improved traction in cold weather.

Note on the use of winter tyres.

Summer tyres provide optimum performance at ambient temperatures above approximately +7°C. Below this point, the tyre compound begins to harden and braking distances are increased.

We therefore recommend that you fit winter tyres during the colder months of the year so that you can drive your 911 safe in the knowledge that it will continue to meet our high standards for driving

safety even at low temperatures. All winter tyres approved by Porsche are identified by the 'N' designation on the sidewall.

- Compatible
- Not compatible
- ¹ Compatible with snow chains on rear axle.
- ² Only available for vehicles with central locking device.
- ³ Not compatible with Porsche Ceramic Composite Brake (PCCB) or rear-axle steering.

Note: the wheel centres shown are not included, except in the case of the 20-inch Carrera S wheels painted in satin platinum or black (high-gloss) and the 20-inch Sport Classic wheels painted in black (high-gloss).

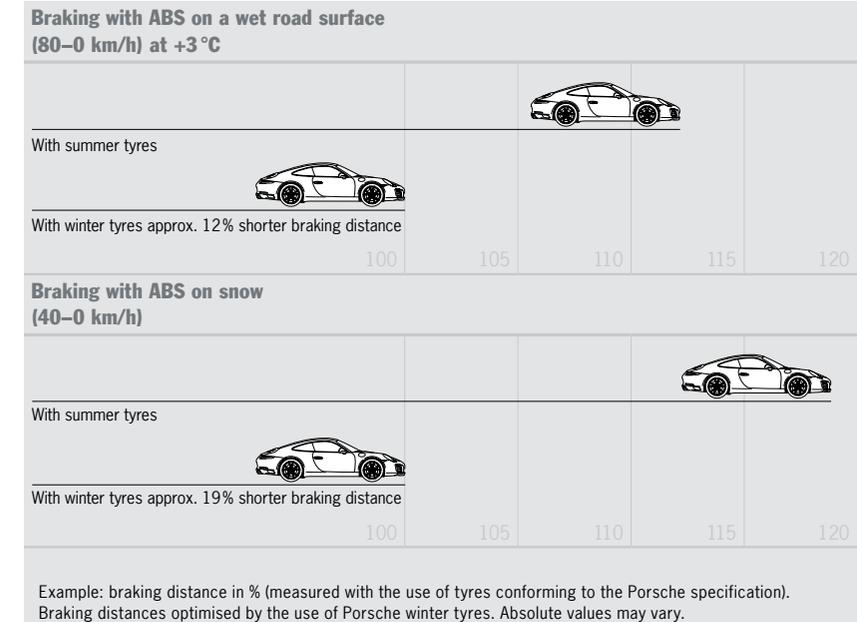

If your vehicle documents do not contain details of the correct wheel and tyre combination, please request a technical approval certificate from your Porsche Centre. All tyres are designed exclusively for Porsche as indicated by the special Porsche designation (N0, N1, etc.) on the sidewall. Tyres that do not carry this designation are not recommended for use on your Porsche.

ET: wheel offset in mm

How tyres influence braking performance:

Fuel efficiency class, wet grip class and rolling noise:

Tyre type	Size	Fuel efficiency class/rolling resistance	Wet grip class	External rolling noise* (class)	External rolling noise (dB)
Summer tyres	245/35 ZR 20	E	A	🔊	71
	305/30 ZR 20	E	A	🔊	74
Winter tyres	235/40 R 19	F-E	C	🔊	72
	295/35 R 19	F-C	C	🔊	75–73
	245/35 R 20	E	E-C	🔊	72–70
	295/30 R 20	C	E	🔊	74

For logistical and technical reasons relating to the production process, we are unable to accept orders for a particular make of tyre. The tyre make may differ from that shown.
 * 🔊 Quiet rolling noise, 🗣️ Moderate rolling noise, 📣 Loud rolling noise.

[1] Snow chains

Specially designed for Porsche models and featuring ultra-fine links for minimal adhesion of ice and snow. Set of two for rear axle.

[2] Wheel centres

Set of wheel centres with full-colour Porsche Crest. The perfect finishing touch for the wheels of your 911.

[3] Anti-theft wheel protection

Set of four wheel bolts for your alloy wheels with highly secure Thatcham-approved locking system.

[4] Wheel bolts in black including anti-theft protection

Set of 20 wheel bolts in black, four of which are anti-theft wheel bolts.

[5] Crested valve caps

Perfection down to the finest detail. These caps not only add another accent to your Porsche, they protect the valves from dirt and moisture. Available in various designs.

For vehicles with or without Tyre Pressure Monitoring (TPM).

The stuff that dreams are made of can be an eclectic mix indeed.

And that can be taken quite literally. No matter whether you want to style the interior to your preference, choose one of our special interior packages or find a matching decor, Porsche Tequipment has exactly the right personalisation options for you.

After all, this is a sports car intended to symbolise a particular lifestyle: your personal freedom – creative freedom included.

Interior

Who said that pure freedom is only found outdoors?

[1] Leather

Leather is a traditional natural material – a true classic. Items made of leather are both timeless and hard-wearing.

[2] Alcantara

This high-quality material is easy to care for, washable and has excellent non-slip properties.

[3] Mahogany¹

Mahogany is a dark, fine wood. Its fine grain lends it a very modern and elegant look.

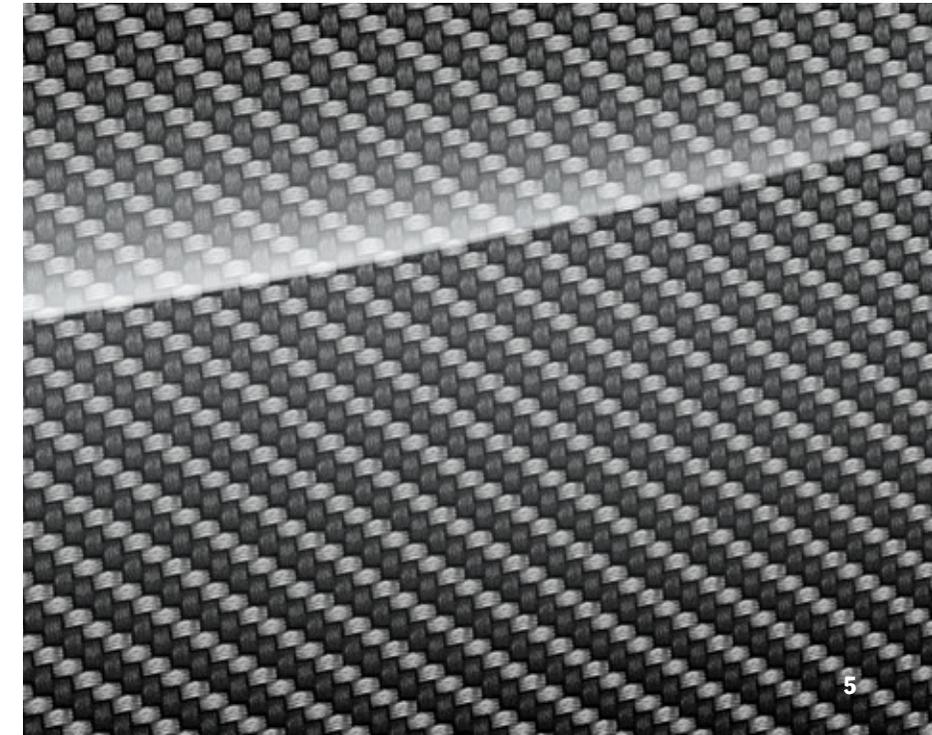

¹ Since wood is a natural product, there may be variations in form and grain.

[4] Brushed aluminium

Brushed aluminium sets clear accents and gives the interior a sporty minimalist look.

[5] Carbon

Carbon fibre is a light yet highly durable material used extensively in motorsport. Its look is the ideal complement to the car's race-bred engineering.

[1] Mahogany interior package

This package comprises inlays in mahogany on the gear lever or PDK¹ gear selector and decorative strips in mahogany on the dashboard.

Only in conjunction with black leather.

[2] Heated multifunction sports steering wheel in mahogany

The grain on the mahogany multifunction steering wheel is as unique as a fingerprint. Thanks to the integrated

buttons, you have control over a number of audio, navigation and telephone functions at your fingertips.

Only in conjunction with black leather.

[3] Centre console trim in mahogany

Lend your 911 that added personal touch with the centre console trim in mahogany. Charismatic and unique.

¹ 7-speed Porsche Doppelkupplung (PDK).

[1] Carbon interior package

This package comprises inlays in carbon on the gear lever or PDK¹ gear selector and decorative strips in carbon on the dashboard.

Only in conjunction with black leather.

[2] Heated multifunction sports steering wheel in carbon

The multifunction steering wheel in carbon brings you closer to the racetrack. Thanks to the integrated buttons, you have

control over a number of audio and, where applicable, navigation and telephone functions at your fingertips.

Only in conjunction with black leather.

[3] Centre console trim in carbon

This trim is more than just a sporty detail, it adds a touch of motorsport.

¹ 7-speed Porsche Doppelkupplung (PDK).

1, 2

3

[1] Brushed aluminium interior package

This package comprises inlays in brushed aluminium on the gear lever or PDK¹ gear selector and decorative strips in brushed aluminium on the dashboard.

Only in conjunction with black leather.

[2] Centre console trim in brushed aluminium

Every detail should be exactly as you imagined. This trim in brushed aluminium enhances the sporty feel of the interior.

¹ 7-speed Porsche Doppelkupplung (PDK).

1

2

[1] PDK¹ gear selector in aluminium

Specially designed PDK¹ gear selector in aluminium. The PDK¹ gear selector inlays feature leather trim in the interior colour.

[2] PDK¹ gear selector in Alcantara, gear lever in Alcantara (not shown)

This gear lever/PDK¹ gear selector highlights the close association of Porsche with motorsport. Both are finished in black Alcantara.

[3] Heated multifunction GT sports steering wheel in leather

This steering wheel in black leather adds a distinctly sporty touch. Two versions are available: one for the manual transmission and one for PDK¹. The PDK¹ version is

equipped with gearshift paddles. The right-hand paddle shifts up, the left-hand paddle shifts down.

[4] Heated multifunction GT sports steering wheel in Alcantara

Covered in black Alcantara, this steering wheel is particularly easy to grip, robust and straightforward to maintain – properties not only appreciated in motorsport.

[5] Cruise control (not shown)

Periods of rest are particularly important for any athlete. Cruise control gives you the break you deserve. Not only can it be used to stay within the speed limit, it also helps you to save fuel by maintaining a

constant speed. This automatic speed controller (for the speed range of 30 to 240 km/h) is operated by a switch on a separate control stalk on the steering column.

¹ 7-speed Porsche Doppelkupplung (PDK).

**Time once more to discover new horizons.
In the interior, too.**

**[1] Storage compartment lid with
Porsche Crest**

The lid of the centre console storage compartment is refined with leather in the interior colour – and comes embossed with the Porsche Crest.

**[2] Storage compartment lid in
Alcantara with Porsche Crest or
'PORSCHE' logo**

This variant of the centre console storage compartment lid is finished in black Alcantara. Featuring either

the Porsche Crest or the 'PORSCHE' logo, it makes a statement of its own.

1

2

2

[1] Floor mats with nubuck edging

Made-to-measure floor mats with nubuck edging and 'PORSCHE' logo, which have a waterproof underside and are non-slip. They are secured by a special fastener system. Available as a set of two or four.

[2] Floor mats in carbon with leather edging

These made-to-measure floor mats in authentic carbon fibre enhance the motorsport feel even down by your feet. Their unmistakable carbon structure is complemented by a smooth-finish leather

edging with black stitching. Waterproof on the underside and secured by a special fastener system. Available as a set of two or four, they make an excellent addition to the carbon interior package.

[3] All-weather floor mats

Set of two made-to-measure floor mats in an appealing design featuring the 911 silhouette and 'PORSCHE' logo. Anti-slip and waterproof with perimeter ridges. Available in interior colours of black, Luxor Beige and Agate Grey.

[4] Rear footwell lighting (not shown)

Additional LEDs for the rear left and right footwells.

[5] Vehicle key painted, key pouch in leather

Set of two vehicle key side mouldings with a painted finish. The perfect complement: key pouch in smooth-finish leather with

decorative stitching and embossed Porsche Crest.

[6] Key pouch in Alcantara

Key pouch in black Alcantara combined with tether and side mouldings in black leather. Includes decorative stitching in a selection of colours as well as the Porsche Crest.

[7] Ignition starter switch painted

Another option for the interior. In conjunction with optional Porsche Entry & Drive, you can order the outer segment of the ignition starter switch in your choice of available exterior colours.

[8] Smoking package (not shown)

Package comprising ashtray and cigarette lighter fitted in place of the uncovered storage compartment in the front centre console.

7

Door sill guards.

A real eye-catcher. Whether you choose door sill guards in carbon or stainless steel, they provide a stylish and dramatic finishing touch. With illuminated door sill guards, the respective model logo illuminated in white is a further highlight.

[1] Door sill guards in carbon

A sporty and striking effect created by carbon fibre – an extremely lightweight high-tech material. With model logo.

[2] Door sill guards in carbon, illuminated

These door sill guards in carbon with white illuminated model logo place equal emphasis on sportiness and extravagance.

[3] Door sill guards in stainless steel

A brilliant highlight revealed the moment you open the door: door sill guards in stainless steel with model logo.

[4] Door sill guards in stainless steel, illuminated

Why not set an illuminating example? These door sill guards with illuminated model logo create just the right look.

4

Transport. Car care.

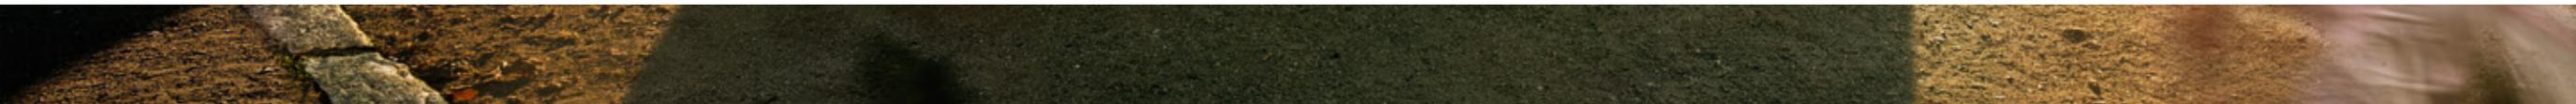

Sporting challenges in their own right.

You've got a lot planned. Not a problem. After all, your 911 is a master at combining Porsche driving with your other favourite sports: cycling, skiing or snowboarding to name a few.

After some heavy lifting, your Porsche deserves a rest and some care and attention. From car covers to microfibre cleaning cloths, the following pages will show you everything you need to revitalise your Porsche.

Transport and car care

Even your dreams of the great adventure once had small beginnings.

The next great adventure sometimes starts small. Right by your side in fact: on the front passenger seat. Travelling in a Porsche isn't just for grown-ups, it's for the little ones too. Thanks to Porsche Tequipment child seats, Porsche passengers can include children from 0 to 12 years of age.

[1] Porsche child seats

Porsche child seats meet strict safety standards. Specially designed, tested and approved for Porsche cars, they provide protection and comfort for passengers up to 12 years of age. The fabrics are breathable, hypoallergenic and easy to clean with a removable and washable

cover in black and grey with a contrasting red trim. The Porsche child seats can be fixed conveniently and safely on the front passenger seat using ISOFIX or the three-point belt system. For increased safety, the Porsche Baby and Porsche Junior Seat ISOFIX have an independent five-point belt system.

[2] Child seat preparation for front passenger seat (not shown)

Includes ISOFIX mounting points between the backrest and squab on the front passenger seat, as well as key-operated deactivation system for the front passenger airbag. The front passenger airbag must be deactivated if carrying a child up to 27 kg.

Model: Porsche Baby Seat + Base ISOFIX^{1,2}
Group: G 0+
Weight: up to 13 kg
Age: up to approx. 15 months

Model: Porsche Junior Seat ISOFIX¹
Group: G 1
Weight: 9 to 18 kg
Age: approx. 9 months to 4 years

Model: Porsche Junior Plus Seat^{1,3}
Group: G 2–G 3
Weight: 15 to 36 kg
Age: approx. 4 to 12 years

The use of a child seat on the front passenger seat is permitted only in conjunction with child seat preparation. Child seats are not compatible with the Sports bucket seats.

¹ ISOFIX/ISOFIT is a secure and user-friendly child seat mounting system that rigidly attaches the child seat to the vehicle.

² Porsche Baby Seat Base ISOFIX, G 0+, available separately.

³ Also available as Porsche Junior Plus Seat ISOFIT.

**Sometimes an exciting life
simply needs a little more space.**

[1] Roof transport system

Versatile base carrier offering a maximum roof load of 75 kg. Compatible with the Tequipment range of special load-carrying

attachments. Easy to fit and includes anti-theft protection.

Only for 911 Coupé models.

[2] Ski/snowboard carrier, sliding

For up to six pairs of skis or four snowboards (loading surface approx. 60 cm). The design of the lockable ski/snowboard

carrier is matched specifically to the Porsche roof transport system, so easy installation is guaranteed. Practical slide-

out function for user-friendly loading and unloading.

[1] Bike carrier

Lockable carrier for all standard bikes up to a maximum frametube diameter of 100 mm. The anti-tip stabiliser holds the bike safely in position to make it easier to

secure. Up to three bike carriers can be mounted on the roof transport system.

[2] Racing bike carrier

Racing bike carrier with quick-clamping device for the front fork and length-adjustable rear wheel mount. The front wheel can either be stowed in the front

wheel holder on the roof transport system or in the interior, in the bag provided. Also suitable for bikes with carbon frame. Up to three racing bike carriers can be mounted on the roof transport system.

[1] Roof box 520

Lockable plastic roof box in high-gloss black or platinum look (not shown) with a capacity of approximately 520 litres and

an integrated ski carrier. Can be opened from either side of the vehicle. Dimensions: L 2,180 mm x W 895 mm x H 400 mm.

[2] Roof box 320

Lockable plastic roof box in high-gloss black (not shown) or platinum look with a capacity of approximately 320 litres.

Synthetic mats line the floor of the box for optimised load security. Can be opened from either side of the vehicle. Dimensions: L 2,060 mm x W 840 mm x H 340 mm.

**Everything's a question of performance.
Even when you're not driving.**

Whatever your plans are, your 911 gives its all for you day in, day out. Why shouldn't you do the same for your 911? The accessories and care products of Porsche Tequipment have been specifically designed and formulated precisely to the demands and needs of your Porsche. And of course,

they are all 100% genuine Porsche. As a result, they are just as indispensable because they are designed to enhance the practicality of your Porsche and help you to continue enjoying your 911 for as long as possible. What other enticement could you need?

[1] Outdoor car cover

Tailored outdoor cover in silver-coloured fabric with Porsche Crest and logo. Water-repellent, it provides excellent protection against a range of weather conditions including strong sunlight. With anti-theft protection.

[2] Indoor car cover

Tailored indoor cover made from breathable, antistatic and dirt-resistant fabric. With full-colour Porsche Crest and 'PORSCHE' logo.

[3] Cargo liner

Waterproof and easy-to-clean loadspace liner offering tailored protection against dirt and damage for the luggage compartment. With 'PORSCHE' logo.

[1] Car care case (Cabriolet), car care case (Coupé) (not shown)¹
Range of care products optimised for Porsche cars and organised in a practical bag including a selection of accessories.

For Coupé models, the car care case contains insect remover, car shampoo, paint polish, wax, glass cleaner, leather conditioner, cloths, sponges and chamois leather. For Cabriolet models, the car care

case contains car shampoo, wax, convertible top conditioner, glass cleaner, leather cleaner and conditioner, cloths, sponges and chamois leather.

[2] Wheel cleaning set¹
Cleaning and care set for alloy wheels in a practical organiser bag. Set comprises wheel cleaner (acid-free, 500 ml bottle with spray head), sponge and three-piece

brush set for stubborn dirt. Wheel cleaner also available separately with spray head and as 1,000 ml refill bottle.

[3] Leather care set¹
Cleaning and conditioning set for the Porsche leather interior in a practical organiser bag. Contains leather cleaner (100 ml), leather conditioner (100 ml), sponges and cloths.

¹ All care products also available separately.

1

2

3

[1] Microfibre cleaning cloths

Pack of three microfibre cloths enabling the PCM touchscreen and other delicate interior surfaces to be cleaned safely and efficiently.

[2] Ice scraper

Practical accessory featuring aluminium telescopic handle enabling easy removal of ice and snow from your Porsche. Integral rubber lip for removing water.

[3] Porsche Charge-o-mat¹ (not shown)

Battery charger (3.6 A) with charge maintenance and monitoring function.

[4] Porsche Charge-o-mat Pro¹

The increased charging power (5.0 A) of Porsche Charge-o-mat Pro reduces battery recharge time. Thanks to an extra charging mode, it is also suitable for use

with the Porsche lightweight battery (lithium-ion).

¹ An adapter is available as an option for vehicles without cigarette lighter.

[5] High-visibility jacket

This high-visibility jacket in luminous yellow with reflective stripes was made with your safety in mind. Thanks to its compact packaging, it is ideal for stowing

in the glove compartment or other storage compartments inside the vehicle.

It is a legal requirement in many countries of the EU to carry a high-visibility jacket inside the vehicle.
