PORSCHE SPORT DRIVING SCHOOL

Women Only

The idea of Porsche drivers being exclusively male is gone with the wind. The Women Only training course will be held in Leipzig on July 9 and 10.

Women behind the wheel? No question about it. For quite some time, Porsche Sport Driving School has designed special driving courses with this audience in mind. In response to very positive feedback, Porsche is offering a precision training course (at the novice level) in Leipzig this year, on the factory's own circuit. Under the guidance of experienced instructors, the participants can improve their driving skills, above all where critical situations are involved. Men are welcome, too—in the passenger seat.

Men on the sidelines, please: Women Only training course, Leipzig
