Change of Customer Details Form

Porsche would like to ensure we have the most up-to-date ownership details for our customers and their vehicles in order to communicate any mandatory information. As such this form is designed to allow you to submit all relevant changes to the personal information that Porsche Cars GB currently hold for you.

Alongside the changes that you would like to make we also need proof of ownership to be submitted to us so we can verify that you are the vehicle owner. This must include the VIN (Vehicle Identification Number/Chassis Number), your current UK address and the registered keeper's full name.

These documentations should either be:
- A full copy of the V5 document; (and/or)
- Most recent sales invoice for this vehicle;

Please allow 28 days following receipt of this form for your details to be updated on the Porsche database. Once complete you will receive an e-mail from us to notify you that your details have been successfully updated.

Please confirm below which details you would like us to change for you:
