

992 Turbo S Coupé

Exterior: Guards Red,
Interior: Leather interior in Black

PORSCHE

Technical Data

Cylinders	6
Displacement	3,745cm ³
Max. power kW (PS)	478kW (650PS)
Transmission	8-speed Porsche Doppelkupplung (PDK)
Acceleration (0–100 km/h)	2.7secs
Fuel consumption urban in l/100 km (NEDC) ¹⁾	15.5
Fuel consumption extra urban in l/100km (NEDC) ¹⁾	8.6
Fuel consumption combined in l/100 km (NEDC) ¹⁾	11.1
CO ₂ emissions combined in g/km ¹⁾	254
Efficiency class Germany ²⁾	G
Efficiency class Switzerland ²⁾	G

Engine, transmission, chassis and performance

Porsche Ceramic Composite Brake (PCCB) with Brake Calipers painted in Black (high-gloss) <i>Porsche Exclusive Manufaktur</i>	1LX
8-speed Porsche Doppelkupplung (PDK)	G1G

Wheels

20-/21-inch 911 Turbo S Exclusive Design Wheels <i>Porsche Exclusive Manufaktur</i>	46U
Wheels painted in Black (high-gloss) <i>Porsche Exclusive Manufaktur</i>	1NV
Wheel centre set with full-colour Porsche Crest	1NP

Exterior

Guards Red	G1
'PORSCHE' Logo painted in Black (high-gloss) <i>Porsche Exclusive Manufaktur</i>	KQ2
Model designation painted in Black (high-gloss) <i>Porsche Exclusive Manufaktur</i>	ONC
Mirror Bases painted in Black (high-gloss) <i>Porsche Exclusive Manufaktur</i>	6FJ
Rear Side Air Intakes painted in Black (high-gloss) <i>Porsche Exclusive Manufaktur</i>	VK2
Side Skirts painted in Exterior Colour <i>Porsche Exclusive Manufaktur</i>	VR4
Side Window Trims painted in Black (high-gloss)	QJ4
Engine Compartment Lid painted in Titanium grey <i>Porsche Exclusive Manufaktur</i>	JL2
'PORSCHE' Logo LED Door Courtesy Lights <i>Porsche Exclusive Manufaktur</i>	UD1

1) Data determined in accordance with the measurement method required by law. Since 01 September 2018 all new cars are approved in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test procedure to measure fuel consumption and CO₂ emissions. You can find more information on WLTP at www.porsche.com/wltp. From 01 January 2019, all fuel consumption figures are shown as determined in accordance with WLTP. CO₂ figures shown as NEDC-equivalent values, as CO₂ based taxation will continue to be based on an NEDC value (derived from WLTP) until 06 April 2020. Fuel economy and CO₂ emission figures are only intended as a means of comparing different types of vehicles tested under the same test cycle. New WLTP homologated vehicles are therefore not directly comparable with any vehicles tested under NEDC. For Plug-in Hybrid Electric Vehicle (PHEV) range and Equivalent All Electric Range (EAER) figures are determined with the battery fully charged, using a combination of both battery power and fuel. Values are provided for comparison only. To the extent that fuel consumption or CO₂ values are given as ranges, these do not relate to a single, individual car and do not constitute part of the offer. Extra features and accessories (attachments, tyre formats etc.) can change relevant vehicle parameters such as weight, rolling resistance and aerodynamics which may result in a change in fuel consumption and CO₂ values. Additionally, weather and traffic conditions, as well as individual driving styles, can all affect the actual fuel consumption, electricity consumption, and CO₂ emissions of a car.

2) Guide value determined in accordance with a partial WLTP cycle (including allowing for auxiliary equipment such as air conditioning).

992 Turbo S Coupé
