**We can't foresee the future.
But we can guarantee its quality.**

Porsche Approved Pre-Owned Cars.

We are convinced of the quality of our pre-owned cars. This is why the Porsche Approved Warranty provides you with a comparable level of reassurance as our new car warranty – and covers our sports cars for up to 10 years.

Provided that they have passed the 111 Point Check. Further enhancing the value of your Porsche – and ensure maximum driving pleasure.

Specifically, this means: if you opt for a pre-owned Porsche, you get 100% Porsche, thanks to Porsche Approved. A vehicle whose charm and fascination you will no longer want to be without.

Every vehicle that is less than 9 years old and bears our Porsche Approved seal has been professionally prepared by our Porsche technicians using only genuine Porsche parts. We call this Porsche standards. Thanks to the documented vehicle history, Porsche Approved Warranty and Porsche Assistance (mobility guarantee), we ensure more than just certified quality. We create trust.

Porsche Approved.

We guarantee:

- **A minimum of 12 months Porsche Approved Warranty and Porsche Assistance**
- **The vehicle has been inspected in compliance with our 111 point checklist**
- **The vehicle meets the Porsche preparation standards**
- **Only genuine Porsche parts have been used**
- **All work has been performed by Porsche trained technicians**

**Meticulous, conscientious
and perfectionists.**

Vehicle preparation.

We're proud of our technicians, and no-one knows a Porsche better than them. Rigorous mechanical and bodywork standards must be met by every Porsche Approved vehicle. This is part of the meticulous preparation process undertaken prior to sale.

You can be assured that your new Approved pre-owned Porsche has undergone service and preparation worthy of the Porsche name and meets the standards you would expect of us. We subject each and every Approved pre-owned Porsche to a thorough 111 point mechanical inspection, ensuring absolute mechanical integrity. From the ABS to the

tyres, the windscreen wipers to the seatbelts, our technicians' attention to detail will leave no stone unturned. Should anything need replacing then we will, of course, only ever use 100% genuine Porsche parts.

If required, we'll carry out a full service and even check the electrical functionality right down to the last detail. As you would expect from Porsche, we don't stop there; your vehicle will also undergo a full valet and final inspection. These are the minimum standards for every Porsche to become Porsche Approved. Every car is treated as an individual when being restored to its original form.

All great relationships
are built on trust.

The Porsche Approved Warranty.

We guarantee that you will enjoy every single mile of driving your new, pre-owned Porsche, and we also guarantee that you can trust it. After all, what is a relationship without trust? This is why every Porsche Approved vehicle comes with a Porsche Approved Warranty as standard. Porsche, by nature, stands not only for dynamic performance and sheer driving pleasure, but also for durability and trust.

As you would expect from us, the Porsche Approved Warranty is at the same level as our new car warranty. So, once again, it's 100% Porsche. The Porsche Approved Warranty applies worldwide.

It can be redeemed in every Porsche Centre and covers all the components – including 100% of the cost of parts and labour. During the warranty period you will pay no excess in the event of a claim.

As you would expect from Porsche, the warranty has no restriction on mileage, meaning you can concentrate on what your Porsche was intended for – driving. Your local Porsche Centre will be happy to inform you about services, warranty and exemptions.

We guarantee:

- **Worldwide validity**
- **Redeemable in every Porsche Centre**
- **Optional duration, 12 to 24 months**
- **All component repairs are covered, including parts and labour**
- **No excess to pay**
- **No mileage limit**
- **Coverage for Porsche vehicles up to 10 years old**
- **Only genuine Porsche parts are used**
- **Straightforward administration**
- **The warranty is fully transferable providing the car is sold privately or to a Porsche Centre**
