

PORSCHE

20 Years Porsche Tequipment

Accessories for your Panamera

SportDesign package

SportDesign package

An established part of our programme for 20 years: driving pleasure retrofitted.

A Porsche stands for enjoyment at the wheel, sports car emotions, unmistakable design and, of course, impressive performance. As well as your idea of how this should be expressed. Visually, tangibly and audibly. In short: how it can best fit in with you and your activities – 365 days a year.

This is what Porsche Tequipment has been offering for 20 years with its high-quality

products. Helping to turn a sports car into a sports car that is specifically adapted to your life. Whatever your plans.

Right from the start, Porsche Tequipment products have to meet the same standards as our vehicles: developed, tested and inspected in Weissach. By the same Porsche engineers and designers responsible for creating each model.

Conceived with the complete vehicle in mind and tailored to your particular Porsche. The result: a range of exceptional products with which you can refine your Porsche to suit your own individual requirements. Fitted after delivery. With no fuss. And, above all, with typical Porsche quality.

With your Porsche, you've already made your dream come true. Now it's time to live it. You will find the relevant accessories from Porsche Tequipment on the following pages.

SportDesign package

Sportswear should be functional and tailor-made. The new SportDesign package was developed specifically for the Panamera. It comprises an imposing front apron with air intake grilles in black (left, centre, right), distinctive side skirts and the standard rear apron equipped

with a finned diffuser. The SportDesign package is available in the exterior colour of the vehicle.

To check out the sound of the sports exhaust system, please click on image

Sports exhaust system¹

The sports exhaust system comprises an optimised main silencer with sports tailpipes in a unique design. The sporty sound is selected using a separate button in the centre console.

¹ Please note that additional components may be required at an extra cost (see fitting and conversion instructions). Please consult your Porsche Centre for further information. When fitting, please request a technical approval certificate from your Porsche Centre.

SPORT PLUS mode retrofit

SPORT PLUS mode retrofit¹

SPORT PLUS button for an even sportier set-up for the engine and suspension, including performance display in PCM and the instrument cluster.

¹ In conjunction with PDK, it also features the Launch Control (racing start) function and the motorsport-derived gearshift strategy. Does not include the Sport Chrono timer.

Fuel consumption in l/100 km urban 18.8–7.4 · extra urban 8.9–5.5 · combined 12.5–6.3; CO₂ emissions in g/km 293–159
