Tequipment 718

Accessories for the new 718 Boxster and 718 Cayman models

We'll take you where
your life leads you.

The next bend. The next adrenaline rush. The next adventure. All accompanied by pure driving pleasure. After all, that's exactly what the 718 Boxster and 718 Cayman are made for—a driving experience without compromise.

Your take on this is just as individual as you are. So it's only logical that your

Porsche must be perfectly suited to your life. And your plans.

Porsche Tequipment accessories have been developed to offer you model-specific products that have been designed with the whole car in mind. By the same Porsche engineers and designers who create the cars.

Consider one of our Tequipment highlights: the Sport Exhaust System with Sport Tailpipes in Black or Silver color. Thanks to the Sport Exhaust System's modified rear silencer, the typical Porsche sound of your 718 is considerably amplified—at the touch of a button. And performance? It is also typical Porsche. Because during development, the Sport Exhaust System

had to withstand permanent loads on special test rigs. The Sport Tailpipes, with their distinctive look, also lend the rear an even more striking appearance.

Would you like to personalize your Porsche at a later date? Add sporty, design or comfort features? Enhance something? No problem. No matter what Tequipment products you have

retrofitted by your authorized Porsche dealer, your Porsche will always be an engineering masterpiece from Weissach.

And the warranty? Completely unaffected.

You can find out more about Porsche Tequipment from your authorized Porsche dealer. You will also find all our available products online at

www.porscheusa.com/tequipment using the Tequipment accessories finder.

Display the sporty interior style on the outside too—down to the last detail. With Sport Tailpipes or model designation logos, for example.

In Porsche quality.

Interior 22

Your personal freedom is also reflected in the interior. Always you to a tee. And always 100 percent Porsche.

Transport and car care 40

Your Porsche stands for much more than just sportiness. We also provide for your car's ongoing care.

No one else can write your story.

It's your life. Your adventure. Your story. You're not interested in other people's journeys. You set your own objectives. Rely on your own experience. So it's no surprise that you buck the trend when designing your 718 Boxster or 718 Cayman, and bow to a single authority—your imagination.

So fit a Sport Exhaust System for an even more raucous sound. Matching Sport Tailpipes will complete your 718 to perfection. New wheels or a model designation on the doors will lend your 718 Boxster or 718 Cayman an even more dynamic appearance. You'll find all our products and further details on the following pages.

**When it comes to design,
those who go their own way leave the beaten track.**

[1] Model Designation on Doors

Logos on the doors will make your Porsche even more individual, adding excitement to the driving experience even before you get in.

982 044 800 10 041 Black

982 044 800 10 V04 Silver

Available in black and silver color with the "718 Boxster," "718 Boxster S," "718 Cayman," and "718 Cayman S" logos.

[1] Sport Tailpipes in Silver Color

The sporty look extends to the rear. These twin tailpipes in silver color chrome-plated stainless steel will lend an even more enhanced appearance to your 718 Boxster or 718 Cayman.

[2] Sport Tailpipes in Black

These distinctive twin tailpipes with a black chrome-plated finish will complete your Porsche to perfection.

982 044 200 11

[3] Sport Exhaust System

Be it a Boxster or Cayman, the sound of your 718 can be amplified at the touch of a button. Thanks to the Sport Exhaust System, with modified main mufflers and Sport Tailpipes in Black or Silver color.

982 044 200 01 Black

982 044 200 00 Silver

Please note that some models may require additional components (see Installation and Conversion Instructions).

2, 3

[4] Pedals and Footrest in Aluminum

As in most motorsport vehicles, these pedals and footrest are made entirely of aluminum. They are sand-blasted, anodized and nano-coated, lending your 718 Boxster or 718 Cayman an extraordinary appearance while also ensuring excellent grip.

991 044 700 00 w/ PDK

991 044 700 02 w/ Manual Transmission

**[5] Fuel Filler Cap in Aluminum-Look**

This fuel filler cap will add a high-quality detail to your Porsche. Its design is based on the look of the fuel filler cap used on historic race cars. Complete with the "Porsche" logo and securing tether.

000 044 001 91

[6] Power Steering Plus (not shown)

Fast or slow, Power Steering Plus adapts to the speed of your Porsche. It reduces the steering force when at low speeds.

991 044 901 15

Even adventurers sometimes require a trailblazer.

Exciting life stories rarely follow a map. But to ensure you always arrive at your destination feeling relaxed, you should rely on one thing: the right tires from

Porsche Tequipment. They will impress you with their appearance and driving dynamics, accompanying you on any journey. Without compromise.

[1] 20-inch Carrera Sport**Wheels with Summer Tires**

Note on the use of winter tires.

Summer tires provide optimal performance at ambient temperatures above approximately 44°F. Below this point, the tire compound begins to harden and braking distances are increased.

We therefore recommend that you fit winter tires during the colder months of the year so that you can drive your 718 Boxster or 718 Cayman in the knowledge that it will continue to perform

even at low temperatures. All winter tires approved by Porsche are identified by the "N" designation on the sidewall.

Benefits: the tires have optimized noise characteristics. The rolling resistance is lower, which has a favorable impact on fuel consumption.

- Compatible
- Not compatible
- ¹ Winter tires up to max. 149 mph.
- ² Compatible with snow chains on rear wheels.

Note: the wheel centers shown are not included, except in the case of the 20-inch Carrera S wheels painted in Satin Platinum with summer tires and the 20-inch Carrera S wheels painted in High-Gloss Black with summer tires.

If your vehicle documents do not contain details of the correct wheel and tire combination, please request a technical approval certificate from your authorized Porsche dealer. All tires are designed exclusively for Porsche as indicated by the special Porsche designation (N0, N1, etc.) on the sidewall. Tires that do not carry this designation are not recommended for use on your Porsche.

How tires influence braking performance:

Braking with ABS on a wet road surface (50–0 mph) at 37°F

				
With summer tires				
With winter tires approx. 12 percent shorter braking distance	100 ft.	105 ft.	110 ft.	115 ft.

Braking with ABS on snow (25–0 mph)

				
With summer tires				
With winter tires approx. 19 percent shorter braking distance	100 ft.	105 ft.	110 ft.	115 ft.

Example: braking distance in percent (measured with the use of tires conforming to the Porsche specification). Braking distances optimized by the use of Porsche winter tires. Actual values may vary.

Time to discover new terrain.

From inside the car.

The joy of discovery, desire for adventure, and sports car flair are always present. But you alone determine where your next journey will take you. You follow your own instincts both when choosing your next destination and when designing the interior of your 718 Boxster or 718 Cayman. Because after all, your 718 represents a special view of life—your personal freedom to express yourself.

You can design the interior of your Porsche exactly as you like, thanks to our range of elegant materials, such as leather, mahogany, carbon fiber, aluminum, and Alcantara®. No matter where your journey takes you, Porsche Tequipment has the ideal personalization for you.

Interior

**Even in confined spaces,
you can broaden your horizons.**

[1] Leather

Leather is a traditional natural material—a true classic. Items made of leather are both timeless and long-wearing.

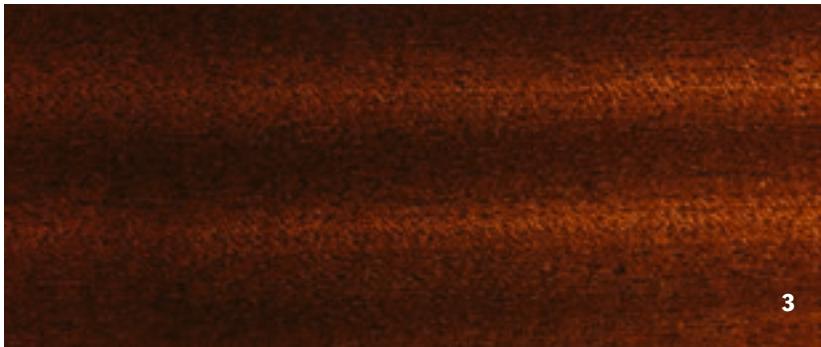

[2] Alcantara®

This high-quality material is easy to care for, washable, and has excellent non-slip properties.

[3] Mahogany¹

Mahogany is a dark, fine wood. Its fine grain lends to a modern and elegant look.

3

[4] Brushed Aluminum

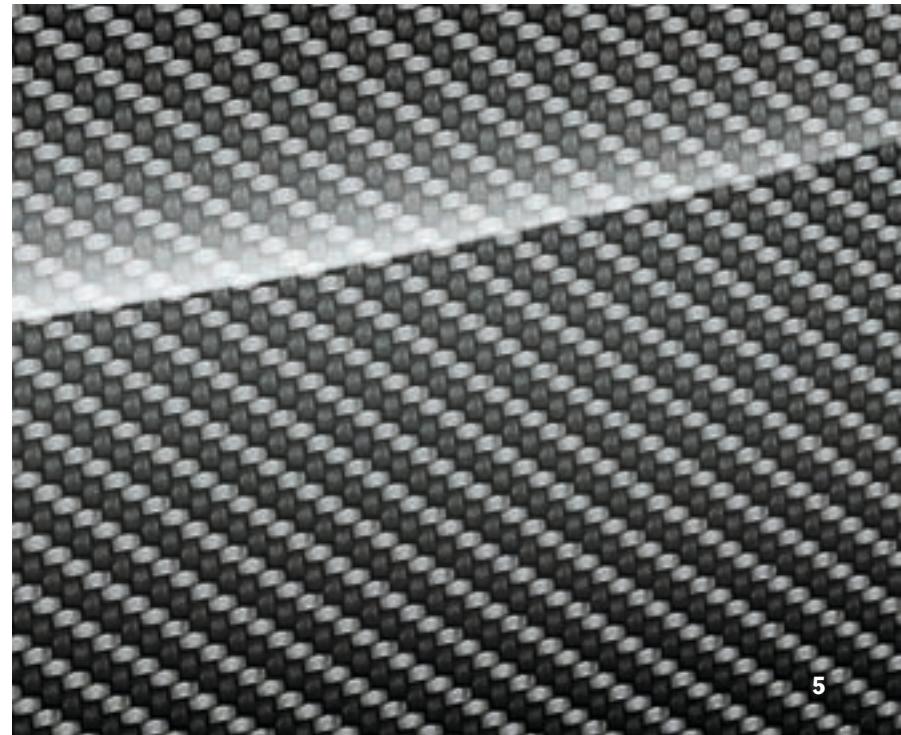

Brushed aluminum sets clear accents and gives the interior a sporty, minimalist look.

4

[5] Carbon Fiber

Carbon fiber is a light yet highly durable material used extensively in motorsport. Its look is the ideal complement to the car's race-bred engineering.

5

¹ Since wood is a natural product, there may be variations in form and grain.

**Because you're never stationary,
even during a pit stop.**

One adventure completed and the next already being planned. You're simply not cut out to be stationary. And neither are your 718 Boxster or 718 Cayman.

That's why your 718 performs at its best for you, day after day. And once the journey's over? Your Porsche has earned a little rest and deserves some care and attention.

Transport and car care

You can still achieve great things,
even when you're small.

The next great adventure sometimes starts small. Traveling in a Porsche isn't just for grown-ups, it's for the little ones too. Thanks to Porsche Tequipment child seats, Porsche passengers can include children from 9 months to 12 years of age.

[1] Porsche Child Seats

Porsche Child Seats meet strict safety standards. Specially designed, tested, and approved for Porsche vehicles, they provide protection and comfort for passengers up to 12 years of age. The fabrics are breathable, hypoallergenic, and easy to clean with a removable and

washable cover in black and grey with contrasting red trim. The Porsche Child Seats can be fixed conveniently and safely, using LATCH or the three-point belt system. For increased safety, the Porsche Baby and Porsche Junior Seat LATCH have an independent five-point belt system.
